BID CERTIFICATION & SUBMITTAL FORM

By signing below, the undersigned does hereby agree and certify the following terms, understanding and commitments;

1. The bidder, including officers, partners or principals, have thoroughly read and understand all sections of the Request for Bids and that any exceptions or variances requested have been submitted with their bid, all questions have been asked and answered and that the fee(s) submitted with the bid include all required items, services and product.
2. That all information and answers are correct for all parties to the best of their knowledge, and that should any information be found to be materially incorrect or false, the District may terminate any contract or agreement with the parties.
3. By submitting a bid, the Proposer agrees to release the District from any liability resulting from the District's disclosure of such materials and the information contained in them.
4. By submitting a bid, the Proposer also agrees to defend any legal or administrative action seeking release of materials the Proposer believes to be trade secret information and will indemnify and hold harmless the District, its agents and employees from any judgments or damages awarded against any of them in favor of any party requesting the materials, including any costs connected to that defense. If a request is made under Kentucky Statutes for release of any materials submitted by a bidder that the bidder deems to be trade secret information, the District will notify the bidder of such a request, but the District will have no obligation to commence or defend any action to prevent the disclosure of any materials, including materials the bidder believes to be trade secret information or otherwise confidential.
5. That no member of the bidders company, its employees, principals or partners have not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a District employee or Commissioner in connection with this bid and offer.
6. That the undersigned have the authority and approval to submit this bid and bind their corporation or organization to the terms required in the Request for Bid and if selected for further consideration will in good faith negotiate with the District to provide additional pricing or cost information, and to enter into an agreement for completion of this transaction and purchase.
